Dear Valued Cannon Customer:

Due to the worldwide economic slow-down and as a courtesy to you our valued customer, we have decided to extend 2008 prices on all Cannon computer controlled instruments, options and accessories. Cannon is also offering special pricing on Tanaka Instruments. This offer is limited to future orders received at Cannon until 31 July 2009.

We encourage you to request a specific quote if you require details on 2008 prices applicable to options and accessories.

Please keep in mind that the cut-off date for this special offer is firm at 31 July 2009; all purchase orders received after this date will revert back to current 2009 pricing.
